TERMS OF SALE

1. A 10% Buyer's Premium is added to all invoices.
2. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to KATEN SALES can attest to this fact.
3. We make no other charges except the actual cost of mailing, insurance/registration. On books we charge 50¢ per lot (a book dealer now charges \$2.00 per lot). When there is more than one book in a lot we use discretion, but never overcharge you. Minimum charge on books is \$1.00.
4. Bidders unknown to us must send a deposit of 25% of their bids. References are useful for future bidding.
5. *We reserve the right to reject any bid from any bidder, when we deem a bid not made in good faith. All bids must be made in dollar amounts. Added cents will be eliminated from the bid. A minimum acceptable bid is \$3.00, with increments of \$1.00 to \$19.00.*
6. Auction sales are not approval sales. By submitting your bids you agree to the terms of sale herewith set forth. No lot may be returned without written permission and request must be made within 5 days after receipt of material. No lot may be returned by floor bidders,
7. All books are as described. The actual title in a foreign language is given- the cataloguer may interpret the title which would be in parenthesis. All books are at least in fine condition unless otherwise mentioned. Books are hard bound unless CaC (Card Covers), pb (pamphlet binding), or pc (paper covers) is mentioned.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors.
9. Auction Sales are for U.S. cash funds. Payment must be made immediately upon receipt of material or upon notification. We reserve the right to demand payment before delivery.

While I am extremely pleased with the large expression of support, I was most impressed by the high percentage of voters who turned out to demonstrate their concerns with the critical issues facing Massachusetts and the nation.

I am happy to report I am getting along well, and I am looking forward to continue working in the Senate for the goals and ideals we share.**

July 30, 1969. Mr. Frank J. Katen, 14717 New Hampshire Avenue, Silver Spring, Maryland. Dear Mr. Katen: I was glad to hear from you regarding your thoughts on the Safeguard anti-ballistic Missile system, and I appreciate your taking the time to get in touch with me.

Since last year I have had serious doubts about the wisdom of committing billions of dollars to deploying an ABM system. This is why in February of this year I urged Secretary of Defense Laird to halt all construction of ABM bases, and why I was gratified he did so pending completion of an overall review of our ballistic missile defense system.

(We are skipping 2 more lengthy paragraphs.)

Thanking you again for taking the time to get in touch with me.

Sincerely,
